SPORTS

I am sure, like me you are all very pleased that we do not have COVID-19 in our community. Last week was a short reminder of how important it is to maintain the health measures that keep us all safe.

- * Stay at home if you are sick
- * Get tested if you are displaying symptoms
- * Scan everywhere you go
- * Continue washing hands
- * Sneeze into elbows

Thank you for continuing to play your part in keeping COVID-19 out of the community. We will be doing the same at school.

God Bless
Annette
